

Pennsylvania 5000 Majority and Indiana 7000 Majority! Good-bye to the "Woolly Horse!"

Here, Mr. Register, is that large Rooster you enquired after. He has just arrived from Pennsylvania en route for Indiana, and concluded he would tarry long enough to let his Black Republican friends see how glossy and sleek he looks!

"Horror" Greeley breaking for Kansas to report fresh outrages in time for the November election.

Ohio Congressional Election.

The Congressional result in this State, is as follows:

First District—Pendleton, Democrat; gain.
Second—Groesbeck, Democrat; gain.
Third—Contest. Campbell will probably get the certificate, but Vallandigham, Democrat, the real.
Fourth—Nichols, Republican.
Fifth—Mott, Republican.
Sixth—Cookerly, Democrat; gain.
Seventh—Harlan, Republican.
Eighth—Stanton, Republican.
Ninth—Hall, Democrat; gain.
Tenth—Miller, Democrat; gain.
Eleventh—Horton, Republican.
Twelfth—Cox, Democrat; gain.
Thirteenth—Sherman, Republican.
Fourteenth—Philemon Bliss, Republican.
Fifteenth—Barnes, Democrat; gain.
Sixteenth—C. B. Tompkins, Republican.
Seventeenth—Lawrence, Democrat; gain.
Eighteenth—B. F. Lester, Republican.
Nineteenth—Edward W. S., Republican.
Twentieth—John R. Giddings, Republican.
Twenty-first—John A. Bingham, Republican.

This is a gain certainly of eight in the State, and with a successful contest against Campbell of NINE CONGRESSMEN IN OHIO.

There is no doubt that Mr. Vallandigham is elected by the votes of the legal electors. Mr. Campbell's apparent majority of nineteen is made up by negroes who have no right to vote under the State Constitution, its provision being "white male citizens of the United States." Some forty negroes are known to have voted for Campbell, in plain defiance of the Constitution. In this connection we heard a good story of Campbell, from Mr. Josiah Carraiz, of this city, who was yesterday in a barber-shop at Hamilton, when Campbell came in, and a conversation was held between him and the negro occupants, both of whom admitted that they voted for him, Campbell. One of the negroes remarked that the result showed what a few negroes could do. Campbell thanked them for their support, and said that he did not desire any better vote. We had this from Mr. Carraiz's own lips.—Cin. Eng.

Is Election in Pennsylvania.

Philadelphia, October 21.
Last evening a meeting of the friends of Fillmore and Fremont was called at the Republican headquarters to select delegates to the National Convention, to-day to form an electoral ticket. Much confusion prevailed. Resolutions were adopted repudiating the convention endorsing the Fillmore electoral ticket, and declaring all parties in opposition to it were spurious and enemies of Bushman and Beckwith. Subsequently the Republican meeting elected delegates. At the Fillmore headquarters the meeting resolved to stick to Fillmore, and repudiating the attempt to hold a Union Convention at Harrisburg.

An Awful Case, Suffering.—The "officer" of last summer in New York was a rich one. The contractors have removed to Harlem Island since the middle of March, 1,700 dead horses and cattle, 3,000 dead cats and dogs, and 600 pigs, calves, hogs, &c. Total of all dead animals, 1,000.

ALIO DEMOCRATIC EXECUTIVE COMMITTEE ROOMS

Columbus, Ohio Oct. 17, 856.

Sir.—The spoke of the battle has not yet cleared away yet we can see enough to justify a shout of Victory. Victory for Pennsylvania, the Keystone State, and Indiana, the tried Democratic Hoosier State, have been true to Democracy and the Union. For Ohio, although the Republican State ticket is elected by majorities varying little from that of Ohio in 1855, yet, as we have elected eight members of Congress, and have lost four others only by a very close vote, and as all are gains, we can properly claim a victory for the Democracy.

Our State Ticket, however, has been elected. Although unsuccessful in our State Election, we believe, that with an explanation of some of the causes, and a more perfect organization, we can succeed with our Electoral Ticket.

We have reason to believe that all of the friends, of which we have many, have been persecuted by our unscrupulous Black Republican enemies.

The vote of Ohio has been increased immensely, and success would have been ours if it had not been for the unprecedented increase in the number of the Abolition counties of the State. This increase can be accounted for only in the fact that we have been negligent of a proper guardianship of the rights of the people. That votes have been imported, that ballot boxes have been stuffed, that many Negroes, black as darkness, have been permitted to vote in defiance of the Constitution and laws of the State, are evident.

We feel that Ohio can yet be reclaimed, while the Black Republican party is dispirited and depressed by the certainty of defeat in the November election. Blatant and encouraged by the success before them, the Democracy feel like again making an effort for success. Yes, the effort is absolutely necessary for the success of our candidate for President. Unless we give them battle, unless we convince them by our effort that there is danger of the loss of Ohio to him, as Michigan, Indiana and Pennsylvania are contiguous to Ohio, they may picket from Ohio to each, sufficiently to endanger each of the states named.

We have an unscrupulous enemy. We must guard every avenue, every approach, so that we may not be taken by surprise. We can carry Ohio if every Democrat does his duty, and if we cannot carry Ohio, we can at least prevent Ohio from defeating us in other States.

Then, to work! Gird on your armor, and fight again for the Constitution and the Union. The battle, which will settle for all time, perhaps, all the questions which threaten the Union, is yet to be fought. Let it terminate successfully, and Abolitionism will be no more.

We propose that our Press and local politicians should go to work; canvass your counties; hold township meetings; fill your papers with every thing that may tend to encourage Democrats and discourage Abolitionists. Hold up to ridicule the aims and ultimate objects of Black Republicanism.

Although having no State ticket, and no county tickets, yet having an incentive to exertion—the preservation of the Constitution and the Union—the Democracy needs no stimulus to labor. Then, to the work. Begin at once, and all will be well.

LIVER COMPLAINT, DYSPEPSIA AND FEVER.

Philadelphia, March 1, 1853.

Dr. C. M. JACKSON.—Dear Sir:—For the past two years I have been severely afflicted with the Liver Complaint, Dyspepsia and Fever, suffering constantly the pains and inconveniences attending such complaints, without energy, being scarcely able to attend to my business. I used a great deal of medicine, with no apparent change, until I used your "Hofland German Bitters." They have entirely cured me. I am now entirely free from pain and some of my kind, and feel like a new man in every respect, and unhesitatingly recommend your Bitters to all in similar cases.

Yours, respectfully, JOHN R. CORY, No. 12 Lagrange Place.

Sept. 25 th.

Dr. FEVER and AGUE cured without using Quinine, Arsenic, Mercury, Opium, or any of the poisonous drugs, or dangerous compounds, generally resorted to by sufferers from this long drawn, most afflictive, and annoying of all diseases, by resorting to Carter's Spanish Mixture, which cures the most of the above deleterious substances, but cures effectually and fully by acting specifically on the Liver and Skin, purifying the Blood, and expelling the poison of old medicines with which the system has been clogged, opening the pores of the body, and allowing nature to assist itself in breaking up the disease, and recuperating its energies.

See the cure of Mr. John Longdon, of Va.; he had fixed and chronic Ague and Fever, chills twice a day for three years. Nothing permanently cured him until he tried Carter's Spanish Mixture, 3 bottles of which perfectly restored him to health; not that he had a chill since. He is only one out of a thousand who has experienced the life renewing effects of this valuable purifier of the blood.
